

***BALLADE***

## Get it all

With the Ballade you get a car that's big enough to comfortably carry five people, yet perfect for everyday living. The Honda Ballade exceeds expectations at every level: from its streamlined shape and spacious interior, to exceptional safety standards, improved dynamics and even greater efficiency. The Ballade has it all.

### CONTENTS

- 03 Exterior Design
- 05 Interior Design
- 07 Safety
- 09 Model Line-Up
- 11 Accessories and Colours
- 13 Specifications and Features

## Looks good from any angle

The first thing you may notice is the striking front end: an all-new integrated styling approach is characterised by a sweeping, dynamic appearance that flows from the centrally mounted-badge and features twin sets of dual headlights. Strongly emphasised lines create a powerful, confident side-on appearance, while the rear treatment continues to emphasise the smooth flow of the Ballade's design.

## Clever design

How do you make an engine that's sporty, yet still has low emissions and good fuel economy? The solution comes from the i-VTEC engine, which continually adjusts to make sure only the right amount of fuel is used. This means you get improved fuel efficiency without compromising on driving pleasure.

The engine is a 1.5-litre i-VTEC available in a 5-speed manual and the latest-generation Constantly Variable Transmission (CVT) with seven 'virtual' gears.

An ECON button adjusts fuel, gear shifts and cruise control operation.

## > Everything is at hand

It feels good to be in control. The interior of the Ballade has been designed around you, to be easy to control and safe to use, so that you can concentrate on the road.

The Ballade has a spacious, class-leading interior and a generous luggage compartment, giving it an enviable reputation for exceptional space and comfort.

A modern 7" touchscreen display offers intuitive control of the car's infotainment system including audio, phone and data.

## Safety conscious

Ballade makes you feel excited to drive it and proud to own it but, most importantly, it makes you feel secure.

Ballade offers class-leading active and passive safety features. The vehicle is equipped with six airbags as well as seatbelts with pretensioners and load limiters.

State of the art technology such as an Anti-lock Braking System (ABS) and Electronic Brake-force Distribution (EDB) is complemented by Vehicle Stability Assist (VSA), which incorporates both traction control and electronic stability control to assist the driver in retaining control, even in extreme situations.

Hill Start Assist (HSA) makes starts on an incline easier and safer by preventing the vehicle from rolling back.

## Trend <

### 1.5 i-VTEC

5-Speed Manual Transmission  
CVT Transmission

- 15" steel wheels
- Full size spare wheel
- Electric powered folding side-mirrors
- Silver grille
- Air conditioning
- Radio with USB connection

The Power of Dreams

Indicated CO<sub>2</sub> and fuel consumption figures quoted are obtained when testing the vehicle in line with the compulsory requirements of SANS 20083 and therefore may not necessarily be achieved under day-to-day driving conditions. Actual fuel consumption figures may be influenced by a range of factors, including but not limited to vehicle maintenance, driving style and behaviour. Fuel consumption may be further affected by the environmental factors and conditions under which the vehicle is operated including altitude, road condition and traffic flow. The figures used in this guide should therefore be treated as indicative only.

Honda Motor Southern Africa (Pty) Ltd. reserves the right to change and modify equipment or specifications at any time without prior notice. The models illustrated in this brochure may show specifications for various markets and not specifically for Southern Africa.
